### Terms and Conditions

MiniCloud is hosted at State University of Campinas - Unicamp. Therefore, all users who request access to this service will be subject to the rules and procedures defined by Unicamp.

Besides the aforementioned, the following conditions of use apply:

There is no support for backup and maintenance of virtual machines in use. These tasks are the responsibility of those who requested access to the machine;

There are no guarantees about the availability of the machines. If the machines are not in operation, send email to [openpower@ic.unicamp.br](mailto:openpower@ic.unicamp.br) describing the problem;

Each machine will be available for 1 month. If more time is needed, please email [openpower@ic.unicamp.br](mailto:openpower@ic.unicamp.br) requesting that the deadline be extended.

Access, display, storage or transmission of text, images or sounds that may be deemed offensive or abusive is prohibited;

Using the computational resources of Unicamp to invade, alter, or destroy computer resources from other institutions is prohibited;

The user of MiniCloud will respond to misuse of computing resources in all circumstances;
